

Webinars

Influence, engage, and generate leads with a one-hour sole-sponsorship, educational webinar. *Petfood Industry* will create a compelling custom webinar that delivers your educational content, solutions and branding message to a targeted audience.

Audio, video, slide presentation, polling questions and Q&A sessions give attendees an interactive communication experience, much like that of a live event.

CUSTOM WEBINARS INCLUDE THE FOLLOWING:

- Customized promotional digital marketing campaign (designed and sent out to drive awareness and audience registration)
- Overall content development of online presentation (including PowerPoint slides designed with video or product demo capabilities available)
- Optional live polling questions and post-webinar survey questions available for your market research purposes
- Increased exposure through webinar archive for on-demand viewing by your customers
- Detailed demographic report of all registrants and attendees

2013 RATES & DETAILS

Rates for a custom webinar range from \$10,000 to \$20,000 each based on length, type of content and frequency. Discounts are also available for print and online advertisers.

Building Effective Food Safety Systems for Pet Foods

This Educational Webinar is Brought to You By:
Trouw Nutrition

Webinar Registration

Don't miss this informative webinar that will review current industry challenges regarding Microbial Contamination. Industry experts will review prerequisite programs and supplier COA's, discuss the control of the post-extrusion environment, and much more.

What you'll learn:

1. Validation of Critical Control Points and HACCP Plans
2. The role of secondary inhibitors
3. Integration of these components into a comprehensive food safety system.

Following their presentations, the speakers will answer questions posed by the moderator and the live webinar audience.

The speakers for this webinar are Will Henry of Extrutech and Dr. James Marsden.

This webinar is presented by Petfood Industry.com and brought to you by: Trouw Nutrition USA. Sponsored by: Preserv-8
