CustoMYzed Packaging

Created with your unique challenges in mind

Leading brands trust our packaging solutions to best serve their products—so let us help you find the perfect packaging solution and stand out in a constantly changing consumer market. Through our years of experience and our commitment to solving packaging challenges, we understand that your package has to be just as unique as the product inside and therefore our CustoMYzed packaging solutions will provide the competitive advantage you are looking for.

Our CustoMYzed line of consumer packaging offers you defined options for premium printing, packaging design and closing features, letting you differentiate your product in the market while optimizing production performance. From providing more throughput on your product fill line to creating eye-catching designs that grab consumers' attention, we find solutions that perfectly fit your needs, while supporting you with the technical expertise and customer service that ensure success.

Mondi is a global packaging and paper group, employing around 25,000 people in more than 100 production facilities across 30 countries. Through our two plants in Jackson, Missouri, and with the support of our almost 400 employees, we serve the North American consumer goods packaging market. As an industry leader in innovation and technology, we specialize in packaging with consumer convenience features in a variety of formats, to meet the needs of the pet food industry. We're dedicated to delivering solutions with exceptional value, while always focused on our customers' success—because our products touch millions of lives, every day.
