

Human/Dog Shareable Treat

The ability to share a desirable treat with your furry friend is now a reality! This biscuit made with oats, peanut butter, pumpkin, sustainable pumpkin fiber, anti oxidants, maple flakes, and held together with a low glycemic tapioca syrup makes the perfect treat for after that afternoon walk!

Featured Caldic Ingredients

- **InfraReady Ancient Grains:** Precooked oat flakes allowing for an optimal experience providing a rich color and texture for greater appeal. Exposed to infrared heat energy for reduced cook time, swift moisture absorption and retention, allowing for shelf life capabilities.
- **Food Solutions Team PumpkinPRO:** Pumpkinseed flour that is a side-stream product within pumpkin oil production. This unique ingredient has nutritional value as it contains about 60% protein. Providing a nutty and savory taste.
- **Globe 40 DE Glucose Syrup Non-GMO:** Tapioca based syrup that is enzyme converted, clear liquid with moderate sweetness, and low glycemic levels.
- **Dadex GT-1:** An antioxidant system of mixed tocopherols that has been proven to help prevent oxidation.
- **Decacer Maple Sugar:** Made from 100% pure maple syrup with no carrier. Gluten-free, non-GMO, Halal, and Kosher.
- **Decacer Maple Flakes:** Made from 100% pure maple syrup dehydrated using a unique process. It is additive free, and adds sweetness and unique maple flavor to applications.
