

# WE DON'T COMPROMISE ON MSM NEITHER SHOULD YOU.

## What's GREAT for you is GREAT for them too!

The same OptiMSM® that supports your joints and mobility does the same for your pet and is beneficial for your pet's overall health, including a healthy coat and nails, immunity, and reduced oxidative stress.

Demand for premium ingredients in the animal nutrition market supports a branded ingredient strategy. Now more than ever, consumers are prioritizing the safety and origin of the products they provide their animal companions. By using OptiMSM, the only human-grade, USA-made MSM, pet owners are providing their pets the safest and highest quality MSM available!

### OptiMSM® is a naturally-occurring sulfur source, displaying a variety of health-promoting benefits.

- ✓ **Mobility & Joint** – MSM benefits both active and aging pets by supporting joint health, reducing soreness, and improving range of motion.
- ✓ **Immunity & Respiratory** – MSM reduces the symptoms associated with allergies and boosts immunity.
- ✓ **Coat, Nail, & Skin** – MSM is a rich source of sulfur, an essential constituent for a healthy coat, nails, and skin.
