Butter Buds® Clean Label Concentrates

Butter Buds® clean label concentrates are designed to cater to surging consumer demand while meeting all modern formulation requirements. They help create more appealing labels through ingredient lists that are shorter and easier to understand.

Our clean label offerings have the same outstanding features and benefits of our regular dairy and non-dairy concentrates. This includes options that are free of maltodextrin, colors, preservatives, trans fats, GMOs, and/or other ingredients as requested. Count on rich flavor in all manners of applications without any compromise on functionality.
