

# PRO-DURA®

A ProAmpac Pet Food Packaging Solution

Our PRO-DURA product line offers excellent durability and flexibility for your dry pet food application.

## PRO-DURA® Classic

**USE FOR:**  
Dry pet food,  
bird seed and  
animal nutrition

**11-50 lb.**  
CAPACITY

PRO-DURA Classic delivers durable and tear-resistant woven polypropylene pet food packaging. PRO-DURA will differentiate your product from others on the store shelf with award-winning HD Flexo graphics.

## PRO-DURA® Premium

PRO-DURA Premium delivers the affordable, functional durability of our PRO-DURA woven polypropylene bags with the premium smooth exterior finish similar to laminate bags.

**USE FOR:**  
Dry pet food,  
bird seed and  
animal nutrition

**11-50 lb.**  
CAPACITY

## PRO-DURA® Mini

**USE FOR:**  
Dry pet food,  
cat litter and  
treats

**3-10 lb.**  
CAPACITY

Meet PRO-DURA Mini, the FIRST small woven pet food bag to market. The MINI delivers a consistent look on store shelf combined with PRO-DURA large woven pet food bags. Excellent durability but sized for smaller portions and portability.
