

QUADFLEX®

A ProAmpac Pet Food Packaging Solution

Premium packaging for premium brands!

Our quad-seal style bag design seals on all four corners delivering ideal shape and strength while boosting store shelf presence and maximum branding space.

Whether for treats or dry pet food, our QUADFLEX® product line offers a wide variety of Flat Bottom, Pinch Bottom and Fold Over Bottom sizes and styles ideal for upright or lay

Our convenient easy open and re-close options improve product accessibility while our custom barriers further ensure pet product protection to the very last kibble.

Features & Benefits

Ultimate Branding

Flat Bottom and Fold Over Bottom styles maximize branding on store shelf display

Award Winning Graphics

Combine our HD Flexo printing and graphics with Soft Matte, Matte and Gloss finishes for added shelf appeal

Pet Parent Convenience

Variety of easy open accessibility and re-close options

Strength and Stability

Quad-seal strength and custom barrier properties provides dimensional stability and protection throughout the entire supply chain
