About LinkOne

- LinkOne Ingredient Solutions is the premier source for pet food ingredients and supply chain solutions to the pet food industry.
- Our team operates under founding model to Listen, Serve, and Solve for our customers.
- We manufacture and source a wide range of ingredients including fruits & vegetables, marine products, oils, and healthy grains.
- Our ingredient lineup includes our proprietary Extrudapro™ potato and our proprietary dried marine proteins across multiple fish species.
- Our name signifies our passion to serve the pet food industry as your first and most critical link in your supply chain.
