I, V, & X

Three collagen types in one ingredient.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Naturally contains the following:

Collagen (types I, V, and X)

- Support cartilage and joint health
- Support skin structure
- Natural components of the gut-lining

Glycosaminoglycans (Hyaluronic acid, chondroitin sulphate, keratan sulphate)

- Help maintain joint comfort
- Support skin hydration
- Natural components of the gut-lining

Glycopeptides (fibronectin, osteopontin)

- Support healthy skin
- Elastin
- Supports healthy skin and joints

Amino acids (cysteine-rich proteins)

- Support healthy skin and joints

In addition to joint, skin, coat, and digestive support, eggshell membrane also helps support healthy immunity.

Eggshell membrane collagen support complex is great for gummies, chews, treats, toppers and kibble!

Did you know?

Eggshell Membrane Collagen Support Complex is 40% protein, containing all vital amino acids required to help your body produce collagen.
